

Lectures on Statistics In High Energy Physics

-Especially on Feldman-Cousins method-

Date: May 17 (Tues), 9:30 – 12:00, 14:00 – 15:30

Place: 3rd floor Refresh room A348 (Physics, Okayama University)

Lectures:

Date: May 17 (Tues), 9:30 – 12:00

**Prof. Louis Lyons (Imperial College London) and
Prof. Hirokazu Ishino (Okayama)**

Place: 3rd floor Refresh room A348

-Lunch and Exercise -----

Afternoon Session:

14:00 – 15:30 Exercise and Discussions

-Louis Lyons

Place: 3rd floor Collaboration Room

Abstract: fundamental statistical issues are lectured. Basic idea of Feldman-Cousins method is explained and some exercises are given.
